Joey Kroeger

2015 Shark World Championship Committee Chairman

Britannia Yacht Club

Ottawa, Ontario, Canada

Dear Fellow European Shark Competitors,

The Britannia Yacht Club has the privilege of hosting the 50th anniversary of the Shark World Championship regatta and as Chairman of the organizing committee, I would like to personally invite you to this regatta. As a World Championship, the participation of European competitors is very important. We have an excellent venue for the event as well as a strong team of dedicated volunteers working to ensure great racing and a full program of dining, entertainment and other onshore activities. Spectator boats will be made available for family and friends to view the races from the water.

We are offering loaner boats and registration discounts for European racers, however we strongly recommend registering prior to May 31st. Details regarding the regatta can be found at sharkworlds2015.com

For those wishing to spend additional time in Ottawa prior to or after the regatta this will afford you the opportunity to familiarize yourself with the local sailing conditions as well as explore the many opportunities for tourists in Canada's capital and it's surrounding areas. One of Canada's most interesting and attractive cities, Montreal, is a two hour drive and could easily be included in your visit.

I have sent this letter via email to the addresses we had available. Could I ask you to forward the letter to other Shark competitors in your country?

If you have any questions regarding this regatta, please contact me by email at joey.kroeger13@gmail.com or by phone 613-292-1324.

Sincerely,

Joey Kroeger
